ANIMAL ADOPTION

HELP CARE FOR THE ANIMALS

Symbolically adopt your favorite animal at the Burgess-Shadbush Nature Center today! While your animal will continue to live with us, your donation will go towards their daily care, toys/enrichment, and any unexpected expenses such as veterinarian bills.

Adoption Fees

\$25 - 1 year adoption of a lizard or amphibian
\$50 - 1 year adoption of a snake or turtle
\$75 - 1 year adoption of a mammal or bird

Adoption Includes

- A certificate of adoption
- A 4x6 photo of your animal
- A personal thank you letter

Gain Experience

Adopters 13 years and older are welcomed to come in and assist with cleaning, feeding, and enriching of their adopted critter (24-hour notice is required). This is great experience for anyone interested in a career working with wildlife, such as zookeeper or veterinarian! Volunteers ages 14-17 require a work permit.

For their safety, volunteers cannot go inside the opossum or raptor enclosures while the animals are inside. They can still help prepare diets, make enrichment, and clean habitats (when animals are removed).
